THE Hideaway BURGER BAR

Welcome to The Hideaway! The Hideaway is based on a clubhouse that once sat on this site in the 1890's, where river workers and millwrights would gather and enjoy a cold refreshment, a square meal, and a moment of refuge from the frantic pace of life on the river. Have a good look at the door on the east side of The Hideaway, it's all that remains of the famous "haven of comfort." As Archie LaBrew, the original owner used to say...

**"be at your ease,
all ye that enter here"**
